UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

In re SONY PS3 "OTHER OS" LITIGATION)	Case No. 4:10-cv-01811-YGR
)	
)	DECLARATION OF STEPHEN J.
)	CIRAMI REGARDING INVALID
)	CONSUMER CLASS A CLAIMS
)	
)	
)	

I, STEPHEN J. CIRAMI, declare and state as follows:

1. I am the Executive Vice President and Chief Operating Officer of Garden City Group, LLC ("GCG"). The following statements are based on my personal knowledge and information provided by other experienced GCG employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. This declaration is made to provide a report on Consumer Class A claims determined not to have submitted valid proof of use pursuant to Paragraph 21 of the Court's Order Granting Motion for Preliminary Approval of Class Action Settlement and Certification of

1 Settlement Class ("Order"). Set forth below is a summary of the proof of use provided with
2 Consumer Class A claims.

3 3. To date, GCG has received 2,352 Consumer Class A claims. Pursuant to
4 paragraph 21 of the Order and Paragraph V.71 of the Parties' Stipulation of Class Action
5 Settlement and Release ("Agreement"), GCG reviewed the validity of the proof of use provided
6 for each Consumer Class A claim.

7 4. In sum, GCG determined that 1,763 of Consumer Class A claims provided valid
8 proof of use and 589 Consumer Class A claims did not provide valid proof of use ("Invalid
9 Claims"). Of the 589 Invalid Claims, 31 claimants did not provide any document purporting to
10 be proof of use of the Other OS functionality. The remaining 558 Invalid Claims included
11 documentation that did not adequately demonstrate use of the Other OS functionality before
12 April 1, 2010.

13 5. Pursuant to Paragraph 21 of the Order, an Invalid Claim Log identifying each of
14 Consumer Class A claims that did not provide valid proof of use is attached as **Exhibit A**. The
15 Invalid Claim Log summarizes the nature of the proof of use offered and the basis for
16 determining that the documentation provided did not adequately demonstrate use of the Other
17 OS functionality before April 1, 2010.

18 I declare under penalty of perjury that the foregoing is true and correct to the best of my
19 knowledge and belief.

20 Executed this 6th day of January, 2017 in Lake Success, New York.
